Vice Chancellor's Message

Dear Students,

Welcome to Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV), the university dedicated to empowerment of women. You will be happy to know that BPSMV has its roots and origin in Gurukul tradition of ancient Indian education system.

Driven by the vision of our respectable founder Bahgat Phool Singh Ji, we at BPSMV are committed to offer the best experience to our students in terms of their holistic and intellectual growth. BPSMV being one of the emerging women universities of India in public sector, offers the vast range of academic programmes from K.G. to Ph.D. level. I am happy to share that BPSMV has been accredited by the National Assessment and Accreditation Council (NAAC) with B++ grade in its first cycle which is an indicator of constant efforts and will to offer quality and affordable education to our female students. We are committed to place the university among the best Indian universities. We have initiated steps to implement NEP 2020. In fact the key recommendations of NEP 2020 viz. multidisciplinary education, value education, importance to Indian languages and promotion of regional languages etc have been in practice at BPSMV since its inception. In order to facilitate wholesome growth of our students, state of the art sports and co-curricular facilities have been established at the main and regional campuses of BPSMV. I am glad to share that several of our students have excelled at national championships. We are in the process of expanding academic and infrastructural facilities so that the best experiences could be offered to the prospective students. The university-industry interface has been strengthened which in turn has boost placement opportunities for our students. We have created an active portal for connecting to our alumni and to have mutual exchange of ideas and resources.

I am sure your decision to associate with BPSMV is going to be a rich and rare experience. You would experience a unique fusion of tradition and modernity during your studentship at BPSMV.

The following words of educationist Annie Besant reflect my vision and mission for BPSMV:

“विश्वविद्यालय इमारतें नहीं, वे सौंदर्य और ज्ञान के प्रति प्रेम की निर्मिति होते हैं। इस निर्मिति का लक्ष्य है आकर का सौंदर्य , रंगों का सौंदर्य, स्थान का सौंदर्य और कालपात्र का सौंदर्य।“

Best Wishes

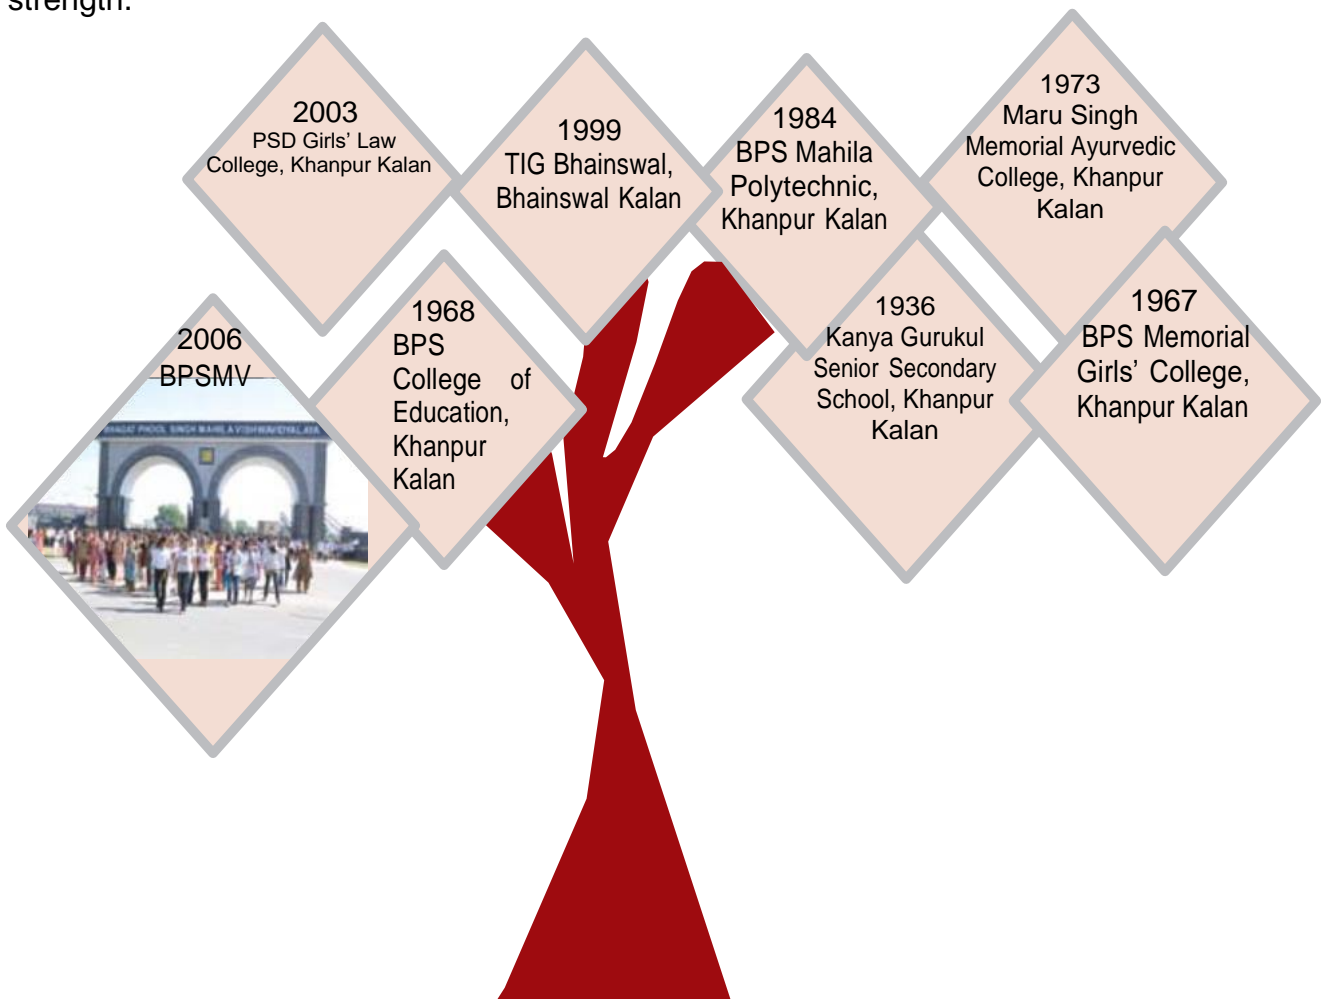

Prof. (Dr.) Sudesh

Brief Introduction

The seed of today's Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) was sown way back in the year 1936. The journey began with the establishment of a Girls' Gurukul with three girls in the first batch at Khanpur Kalan by revered Bhagat Phool Singh Ji whose seminal idea of empowering women through education was a revolutionary progressive giant step. The idea in fact could be termed as a precursor to today's 'Beti Bachao Beti Padhao' campaign. The erstwhile Gurukul established purely through philanthropic means not only expanded but also became a sought after centre of higher learning and education for girls. Bhagat Phool Singh Ji's vision and the hard work done by his daughter Padam Shri Subhashini turned the Gurukul into a premier institution modeled on Indian values and ethos.

It was in August 2006, the Government of Haryana thought of giving a firm shape to the idea conceived by Bhagat Phool Singh Ji and upgraded the Gurukul and its constituent institutions to a women's university mandated to further the original idea of Bhagat Phool Singh ji; "Women Empowerment Through Education". Since then BPSMV has expanded on all fronts and offers a range of academic job oriented programmes touching almost all aspects of life and career. Establishment of University's two Regional Centres at Kharal (Jind) and Krishan Nagar (Rewari) and affiliation of 06 women colleges with BPSMV is the testimony of its commitment and growing stature. BPSMV enjoys the distinction of being a university practicing 'University Society Interface' through community engagement, which is its core strength.

Department of Foreign Languages

Brief Introduction

The Department of Foreign Languages has been established in the year 2007 with an objective of enabling the students to learn and acquaint with modern foreign languages and cultures of the world. Foreign language learning improves the intellectual capabilities of the students as people who speak two languages have more grey matter in the language region of the brain; the earlier they learned the language, the larger the grey area (Mechelli et al., 2004). A language represents the 'thought' of a culture (Humboldt) and learning a language allows one to come into contact with the 'thought' and culture of another society. Globalization and economic liberalization (India, 1991) increased the demand for foreign language experts dramatically. Currently the department designs and offers courses at various levels in three foreign languages; French, German and Russian.
