Deenbandhu Chhotu Ram
(November 24, 1881 – January 09, 1945)

Born on 24th November, 1881 in Garhi Sampla (a village in old Rohtak District) in the family of Ch. Sukhi Ram and Mrs. Sirya Devi, Deenbandhu Chhotu Ram was a renowned educationist and named as the father of reforms for farmers and downtrodden. He established Jat Anglo Sansthan on 26th March, 1913 after completion of his graduation in Law. In pre-independent Combined Punjab, he was Development Minister from 1937 to 1945. He was conferred with prestigious awards like Rai Bahadur (1919), Deenbandhu (1942), Rehbar-e-azam (1944). Besides being a luminary figure who made substantial reforms for agriculture and education, he was involved in various developmental projects and policy formulations, including the important Bhakra Nangal Hydroelectric Power Project.

The Government of Haryana has named the University after this illustrious son of the soil. His humanitarian achievements inspire and motivate everyone to work sincerely with dedication for the inclusive growth and overall progress of the nation.

CHAPTER – 1

ABOUT THE UNIVERSITY

Introduction

Deenbandhu Chhotu Ram University of Science & Technology, Murthal occupies a prominent place within the overall structure of the Technical Education in Haryana since the inception of erstwhile institute CRSCE, Murthal in 1987 and University in 2006. The University was established by Act No. 29 of Haryana State Legislature on 6th November, 2006 by upgrading the erstwhile Chhotu Ram State College of Engineering, Murthal to facilitate and promote studies and research in emerging areas of higher education with focus on Science, Technology, Architecture and Management. The University has been accorded approval by UGC under section 12 (B) of UGC Act on 9th March, 2009. The University has been accorded affiliating status through amendment Act of State Legislature of Haryana on 3rd August, 2009. The University has been accredited with ‘A’ Grade by National Assessment and Accreditation Council (NAAC). Three programmes of the University have been accredited by National Board of Accreditation (NBA) and the application for accreditation of 5 more Programmes is already submitted. The University has acquired membership of Association of Commonwealth Universities (ACU), Association of Indian Universities (AIU), Federation of Indian Chambers of Commerce and Industry (FICCI), International Road Federation (IRF), Indian Road Congress (IRC), Indian Green Building Council (IGBC), Indian National Trust for Art and Cultural Heritage (INTACH), Institution of Engineers (IE), Indian Society for Technical Education (ISTE), Institution of Electrical and Electronics Engineers (IEEE) Student Chapter, Computer Society of India (CSI) and other professional bodies. On successful completion of TEQIP-I & TEQIP-II (Technical Education Quality Improvement Programme (TEQIP), the University was also covered under TEQIP-III, a project funded by the World Bank through MHRD. The University is also funded by Rastriya Uchattar Shiksha Abhiyan (RUSA). Various departments of the University have successfully undertaken many UGC/AICTE/DST/DBT sponsored projects. Research Project worth Rs. 200 Lacs have been granted to the faculty members of the University. Consultancy project worth Rs. 60 Lacs have also been completed by the faculty members of the University. The faculty members not only keep themselves abreast of latest developments by regularly attending Conferences, Seminars, Workshops, STTPs, etc. on different thrust areas but also have delivered Key-note addresses, expert lectures and chaired Technical Sessions as well as presented research papers at International and National levels. The faculty members have also been on the Advisory Boards/ Committees of several National & International Conferences. The faculty is credited with publications in International & National Journals & conferences. The University has been recurrently organizing Conferences/ Workshops/ STPs/ Seminars as well as expert lecture from researchers from academia & industry. The University has signed MoUs with a number of universities, research organizations and industries of National and International repute for exchange programmes for faculty & students and to conduct joint research.

Vision

To facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of Science, Engineering, Technology, Architecture & Management, leading to evolution of enlightened technocrats, innovators, scientists, leaders and entrepreneurs who will contribute to national growth in particular and to international community as a whole.

Mission

To achieve excellence in education and research in main and related areas of Applied Science, Engineering, Technology, Architecture, Management and Healthcare and to occupy a place of pride amongst the most eminent organizations of the world.

Location

The University is located on National Highway No.1, 50 km from ISBT, New Delhi and 8 km from district head-quarter, Sonapat in National Capital Region (NCR). The location of the University falls within one of the growing industrial belts of Haryana extending from Kundli to Panipat.

Campus

Spread over 273 acres, the University has a pollution-free, green campus with built up space in a futuristic architectural idiom. The campus has been developed in four distinct zones – academic, residence, hostel and recreational. The University has ample space and well built infrastructure for class rooms, laboratories, hostels (separate for boys and girls) and residences for faculty & staff. The academic premises comprise of five blocks including one administrative block. Two iconic buildings Library-cum-Computer Centre and Convention Centre are also completed and are fully operational now. The construction of one classroom complex from RUSA funds is going on. The University has sports infrastructure and facilities such as Tennis Academy with Synthetic Court & flood lights facilities, Basketball Courts with flood lights, Volleyball ground, Handball Ground, Cricket Ground, Football Ground, Athletics Track, Health Track, multi-purpose Gymnasium Hall for indoor games. The University also has a health centre, shopping complex, Bank and Post Office facility. Besides this, the University has full scope of horizontal as well as vertical expansion. All weather Swimming Pool is also in the pipeline.

Academic Programmes

The University has 15 teaching departments under 8 faculties with an annual intake of 600 in nine B.Tech. programmes, intake of 54 under LEET & 60 in B. Arch. programme, intake of 60 in BCA, intake of 360 in 6 Dual degree programmes and intake of 706 in 26 Regular PG degree programmes. University also offers Beginner's and Certificate Courses in foreign languages such as French and German. Besides imparting quality education, the teaching departments are actively involved in Research and Development activities and run Ph.D. programmes in all 15 departments of the University.

Hostels – Home Away from Home

Choosing a University is also about choosing a new home. We ensure that students dwell in a healthy environment that helps them to grow and learn without any obstacle. DCRUST offers comprehensive and independent hostel facilities for boys and girls within the campus with all modern amenities and facilities. Elegantly designed and surrounded by lawns and flower beds, DCRUST has four Boys' hostels and three Girls' hostels. It provides a comfortable, congenial and homely environment to the residents. The Chief Warden is the administrative head of the Hostel. For internal administration and day-to-day discipline, the Wardens, Hostel Supervisors, Matron and the Storekeeper assist the Chief Warden.

Each hostel is spacious, well maintained and fully equipped to provide a decent stay and the best possible learning environment. The common room with a collection of national newspapers, magazines, TV & cable facility and Wi-Fi connectivity keep the students updated with current affairs. To keep the students physically fit gym, outdoor & indoor sports facilities are provided in each hostel. Each hostel has separate arrangement for water purifiers, bathrooms with geysers and laundry that provides moments of leisure. There is a designated well-maintained visiting area for the visitors of the residents. Apart from these, a Dining Hall is maintained hygienically for students to enjoy their meals. Hygienic, fresh and best quality of food is served in the hostel mess being run by the residents on a cooperative basis. Proper care of balance diet is done on a weekly schedule of mess.

The hostels being an integral part of the University premises deserve a sacred status. Smoking, consumption of alcoholic drinks & narcotic drugs and the use of bad and abusive language in the hostel premises is strictly prohibited. Students are also not permitted to keep-in-their possession, room crackers, dangerous weapons, firearms, contraband items or instruments that can cause serious injury to others. For security purposes, the hostel is fully equipped with CCTV cameras along with a security guard for 24 hours.

Hostel accommodation is however considered on the basis of both need and availability. The decision of the hostel Administration in this matter shall be final and binding on all students. Hostel rules have been framed keeping in mind the local culture and traditions, with a view to guide and help students to attain standards of implacable conduct. Therefore, while residents enjoy the maximum freedom, it is ensured that this is always within the framework of standard guidelines and procedures. Several hostel activities are organized during the academic session.

It is obligatory on the part of all students enrolled in the university to nurture a tree under the concept

of 'one student one tree' for preservation of environment.

Co-curricular Activities

Traditionally students organize two events during an academic year. **Rhythm** – A grand cultural event in which participants of technical institutions from all over India are invited. Another very popular technical event is **Technova** in which the participation from all over India is invited. This technical festival comprises more than hundred technical events including online participation designed to test the innovative skills of students in cognitive and psychomotor domains.

In addition to this, there are different clubs, societies & student chapters of professional bodies like IEEE, IICHE, IE etc. which conduct quizzes, debates on burning National & International issues related to education, social & environmental problems etc. and other intellectual activities. **Hobby Expo Club** which caters to music, painting, sketching, coin collection, pot making etc. and include fine art clubs. These clubs organize activities throughout the year and the awards and certificates are given at the time of Rhythm.

SC/ST Cell

An SC/ ST cell has been set up in the University to ensure proper implementation of various schemes of the UGC, the Government of India and State Government concerning scholarships, stipends etc. for welfare of reserved categories. The guidelines for various types of scholarship/stipends as revised from time to time by the Central and State Govt. are notified to all departments and displayed on the notice boards of the concerned departments. Dr. Mahender Singh Narwal, Professor, Deptt. of Mech. Engg. is presently working as Liaison Officer of SC/ST cell. Sh. Ram Niwas, Astd. Cum DEO is assigned the duty to assist Liaison Officer, SC / ST Cell.

In view of the UGC Guidelines, the following Advisory Committee is constituted to review the implementation of reservation policy in Admission and Capacity Building Program for SC/ST for their successful passing in examinations:

University Library

The University Library is housed in Saraswati Library Complex, which is a four storey building, a perfect and beautiful blend of aesthetics, latest technology and green architecture with an area of 9,103 sqm./97,948 sq.ft. The University Library has a seating capacity of 600 members. The University Library opens from 9.00 A.M. to 5.00 P.M. on all working days.

The University Library has a collection of 74,863 and subscribes 160 printed Indian Journals. It also subscribes 55 Magazines and 20 Newspapers to cater to the needs of users for current awareness and leisure reading. The University Library has undertaken the subscription to the 10332 Online Journals including ASME (American Society of Mechanical Engineers) – 29, IEEE/IEL - 2308, Elsevier (Science Direct) - 511, EMERALD-138 and EBSCO (Art & Architecture) – 360. Being a member of INFLIBNET the E-ShodhSindhu Consortium of UGC is providing 6986 e-resources to our University Library like American Chemical Society – 49, American Institutes of Physics – 19, American Physical Society 15, Springer – 1722, Taylor & Francis 1078, JSTOR – 3165, Project Muse – 676, Oxford University Press – 262. The University has also access of two bibliographical databases i.e. ISID and JCCC through INFLIBNET. The University Library has also subscribed 1678 e-books on perpetual basis from the reputed publishers.

For access to online Journals, databases and electronic books the University Library has 40 PCs on work stations with a setup of 1 G connectivity.

The University Library maintains Reference Section consisting of fact finding resources such as Dictionaries, Directories, Handbooks, Encyclopaedias, Yearbooks and a copy of a title meant for reference only. The University Library also maintains a separate section on Deenbandhu Chhotu Ram – The great leader of Haryana after whom the University takes its name. In this section books and related literature and a photo gallery on Chhotu Ram Ji is available.

The books have been bar-coded and pasted with computer generated spine labels to facilitate computerized circulation system and shelving of books in proper classified order. The bar-coded Identity-cum-Library Cards are issued to members. Moreover, the University Library is using KOHA Software for Library Automation.

The University Library is an institutional member of the British Council Library, New Delhi, Tata Energy Research Institute, New Delhi and Indian Science Congress Association, Kolkata. The University Library is the life member of the Institution of Engineers, Kolkata and Current Science Association, Bangalore.

The University Library offers other services such as:

1. Providing Digital Library Services and remote access to digital contents through open access as well as Integration of all subscribed e-resources at URL: www.dcrustlibrary.com
2. The users can access the online reading material on Android Mobile through application i.e. saraswati e-library as download from play store.
3. Using TURNITIN anti-plagiarism web tool for evaluating research submitted online.
4. Multipurpose/Seminar Hall for holding Seminars and Conferences with a capacity of 100 persons.
5. University Library Signed a MoU with INFLIBNET for submission of e-thesis and synopsis into Shodhganga for its world wide access.
6. A separate reading hall which remain open for reading and access of INTERNET for 24x7 hrs.
7. Photocopy Services is provided through a private vendor on University approved rates with other facilities of lamination, spiral binding, coloured printing etc.
8. Reference Services on demand
9. Book Bank facility for SC & ST students.
10. Library Surveillance through CCTV system using 32 cameras and two LCD monitors.

University Computer Centre

University Computer Centre (UCC) is housed in state-of-the-art iconic building based on green technology. The University Computer Centre is equipped with the latest computing Technology, having two labs equipped with the 100 computer systems of the latest configuration available to the student on all 7 days of week except gazette holidays.

University Computer Centre manages the central Computing and Networking facilities for the entire University. The DCRUST has a dedicated 1GBPS leased line from BSNL under NME-ICT/ NKN to provide 24X7 internet connectivity through Wi-Fi and LAN in various offices and labs of the Administration and Academic Blocks, Hostels (Boys & Girls), VC Camp Office/ Residence, Faculty Guest House and other places of its Campus. At present 1500 wired node network is running on 10 G OFC backbone and Wi-Fi access in Hostel area and Guest available. Addition to this, the whole University campus is Jio Wi-Fi enabled.

University Computer Centre is having state-of-the-art Virtual Classroom to conduct online workshops/training programs. The University is a Remote Centre of IIT Bombay and IIT Kharagpur to conduct workshops and training on the latest technology for the students and faculties through Audio-Visual Interaction. The University is designated as Aakash Project Research Centre of IIT Bombay. In collaboration with IIT Madras University has conducted various QEEE classes in virtual mode for B. Tech. students.

E-learning resources/NPTEL Video Lectures are available to the students through Intranet server and University is a member of National Digital Library. The University website is deployed on two domains “<http://www.dcrustm.ac.in>” & “<http://www.dcrustm.org>” to ensure complete, up-to-date timely information dissemination to all the stakeholders of the University and public at large. The Institutional Email ID facility is available to the University employees and research scholars. The Online Grievance Redressal mechanism is deployed to address complaints of Students. UCC conducts awareness programs from time to time to keep students, faculty and staff members abreast about latest trends and technology and digitally literate. The UCC also organizes various special training programs and spoken tutorials for the students to make them aware about the availability of e-resources and their use in learning, development of website, etc.

Faculty/Staff

Dr. Darshna Hooda, Systems Manager, UCC

Sh. Amit Kumar Programmer

Sh. Prashant Tyagi Lab Technician, Grade “A”

Sh. Kuldeep Singh Network Engineer (On contract)

Sh. Ajay Mor Network Technician (On contract)

Central Workshop

The central workshop is an academic centre where emphases on practical aspects of manufacturing and production processes are given. This is the area where students are trained and gets hands on experience before going to different industries. The practical training is being imparted to all UG level engineering students of the University. The Central Workshop is spread in 6000 Sq. Mtr. area and mainly comprised of Machine shop, CNC Machine Shop, Welding Shop, Fitting Shop, Forging Shop, Sheet Metal Shop, Carpentry Shop, Pattern Shop, Foundry Shop, Metrology Section. CNC Shop and Welding shops are equipped with modern CNC Lathe, CNC Milling and EDM, TIG, MIG, and Plasma cutting machines. There is trained and experienced staff in each shop for imparting effective training to the students.

Central Instrumentation Laboratory

In order to cater to the needs of different departments with sophisticated instruments for maximum utilization of instruments at our University campus Central Instrumentation Laboratory was established in April 2011. CIL is located on the ground floor in the premises of central workshop. All students, researchers and faculty members from various science and engineering departments of the university and its affiliated colleges are allowed to avail the services of CIL. CIL has following sophisticated instruments: FTIR (Perkin Elmer FRONTIER) (250-8000 cm⁻¹), Impedance analyzer (HIOKI IM3570), Simultaneous Thermal Analyzer (Perkin Elmer STA 6000), UV/VIS (Shimadzu UV-2450) etc.

Convention Centre

A state-of-the-art Convention Centre with sitting capacity of more than 1500 participants is fully operational.

Training & Placement Cell

The University has set up full fledged Training & Placement Cell for arranging effective training, better placement and arranges Campus Interviews for our students. The cell is being headed by regular Training & Placement Officer. The Training and Placement Cell acting as interface between University and Companies, has maintained symbiotic, vibrant and purposeful relationship with industries across the country. As a result, it has built up an impressive placement record as well as in terms of percentage of students placed number on companies visiting the campus in attractive salary packages. The Cell hosts companies on campus and ensures that every aspirant is assured of a bright career of his/ her choice. T & P Cell provide two placement offers below 4.5 Lacs and another above 4.5 Lacs.

A spacious Training Placement Cell, equipped with the state-of-Art facilities Air Conditioned Seminar Hall of 180 seating capacity for PPTs, 40 seating capacity Air conditioned Lounge, AC Board Rooms, Smart class Room, Internet Lab, Air conditioned Committee Room for group discussion and Examination Halls have been made available by the University for conduction the Campus Interviews for final year students. The Cell shall arrange expert lecture, workshop for pre-final year, 2nd Year students to preparing them for campus recruitment programmes. The Cell used Central Computer Lab for online test to accumulate 130 students in single shift. The Training & Placement Cell has been fostering a very productive and mutually beneficial relationship with the industries toward generating the placement opportunities for our students. Our students have the capacity to think beyond the boundaries of contemporary text books as they are nurtured in a quality research environment. For these reasons several corporate have placed us among the top echelon of Institutes for the purpose of campus recruitment programmes such as TCS, fidelity international, Info-age ISGEC, etc. The details list of our recruitment given on the next pages.

The Placement Cell performs the following functions:

- Nurtures industry institute interaction, by organizing and coordinating frequent industrial visits, in plant training and projects of industrial relevance for the students, with the sole aim of zeroing down the hiatus between the industry and the academia.
- Organizes & coordinates campus placement programme, with a view to assist to every aspirant in fetching good placement.
- Helps every students define his/her career interest through individual expert counseling.
- Makes available updated database and job profile of the companies and thus helps each student analyse and choose company of his interest. The department has in its active file a database of nearly 6000 companies.
- Receives and forwards the feedback pertinent curriculum improvement from the visiting companies to the faculty, to ensure that the curriculum follows the latest industrial trends.
- Provides facilities for the visiting companies to conduct pre-placement talks, written tests, on line Test, group discussions and interviews.
- Organise expert lecture on various topics.

Training & Placement Cell has an excellent team of Student Coordinators to further sharpen all process. We facilitate interview panel with AC accommodation in University's Guest House. The major organizations, besides others, which visit our University for Campus Placement, are given below:

2.8 FACULTY OF EDUCATION :

At present programme in education is being run by the affiliated colleges of the University.

-
- Note:** 1. Admission to all UG programmes (except BCA) is made by Haryana State Technical Education Society (HSTES) and admissions to other programmes are made by the university.
2. All the departments/centre also run Ph.D. programmes which is governed by Ph.D. ordinance of the university.

CHAPTER – 3

FACULTIES & TEACHING DEPARTMENTS

3.1 FACULTY OF ARCHITECTURE, URBAN AND TOWN PLANNING DEPARTMENT OF ARCHITECTURE

The Department of Architecture was established in 1991 and has been offering five year Bachelor Degree course in Architecture recognized and approved by the Council of Architecture, Government of India and the Government of Haryana. Master of Architecture (Sustainable Architecture) is introduced from the session 2012-13 approved by the Council of Architecture and All India Council of Technical Education, Government of India. Master of Planning (Urban and Regional Planning) commenced from the session 2010-11 approved by the All India Council of Technical Education, Government of India and Institute of Town Planning of India. Doctoral programme in architecture commenced from the session 2011-12. The teaching faculty is drawn from premier institutions like IITs, NITs and Schools of Architecture across the country. The Department's vision is to create competent professionals to cater to the aspirations of local, regional and global needs and to explore newer possibilities in Architecture using latest techniques, besides promoting research and development in the field of Architecture and allied fields. The Department has a well equipped CAD Lab, Building Material Museum, Model Making Workshop, five spacious undergraduate studios cum lecture halls, three postgraduate studios cum lecture halls with ICT facilities.

The Department has also international collaboration with foreign universities from Germany, Russia and USA. The Department has a 100% placement record with the alumni placed in Government and private sector, while a number of graduates are pursuing post graduate courses in institutions like IITs, SPA-New Delhi and CEPT Ahmadabad besides institutions abroad.

Faculty Profile

| Dr. Nirmala | Assistant Professor | Ph. D. | Town Planning |
| Ar. Sneha | Assistant Professor | M. Planning | Urban Planning |

3.2 FACULTY OF ENGINEERING & TECHNOLOGY

DEPARTMENT OF BIOMEDICAL ENGINEERING

The Department of Biomedical Engineering was established in the year 2004. Biomedical engineers are involved in the design, development & utilization of materials, devices and techniques for clinical research & use, and serve as members of the healthcare delivery team seeking new solutions for difficult healthcare problems confronting our society. The department has well equipped labs with latest research-oriented systems to expose the students with the latest trends in medical technology, healthcare industries and other relevant technologies.

Faculty profile

| Name of Faculty Member | Designation | Highest Qualification | Specialization |
|--|------------------------------------|-----------------------|---|
| Dr. Manoj Duhan Professor (ECE Dept.) | Chairperson (Additional charge) | Ph.D. | VLSI, DSP, Reliability, Analog Devices |

| Dr. Poonam Sheoran | Associate Professor | Ph. D. | Biomedical Engineering |
| Dr. Dinesh Kumar Atal | Associate Professor | Ph. D. | Biomedical Engineering |
| Dr. Geeta Singh | Assistant Professor | Ph.D. | Biomedical Engineering |
| Mr. Saravjeet Singh | Assistant Professor | M. Tech. | Biomedical Engineering |
| Ms. Sarita | Assistant Professor | M. Tech. | Biomedical Engineering |

DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering was established in the year 2009. It has established state of art laboratories and classrooms. The Department has also got recognition of State Technical Advisors from Ministry of Rural Development, New Dehi. The Department is also engaged in providing consultancy in the form of design solutions and material testing, to different Govt and Non Govt agencies and delivered many consultancy services in order to provide technical support to the society.

The faculty of the Department is actively involved in research and consultancy works. They have publications in esteemed national and international journals. Laboratories have been developed through University funds and TEQIP funds. Department has also latest software in Structural Engineering/Transportation Engineering/Construction Managements. Latest tools are also used for classrooms teaching.

Department of Civil Engineering is presently running the courses at Ph.D., M.Tech and B.Tech levels and participated actively in UGC Innovative Programme M.Tech (Construction and Real Estate Management).

| Mr. Sauabh Jaglan | Assistant Professor | M. Tech. | Transportation Engineering |
| Mr. Atul Garg | Assistant Professor | M.Tech. | Structural Engineering |

DEPARTMENT OF ELECTRICAL ENGINEERING

The Department offers a four years Bachelor degree programme in Electrical Engineering, two years Master degree programmes in Electrical Engineering with specializations ‘Instrumentation and Control’ and ‘Electric Power Systems’ and Ph.D in the major areas of control & instrumentation, power system, control system, power electronics & drives. The faculty has rendered useful services in the shape of Consultancy to Industry / Public sector undertakings such as ‘Transmission Line Losses Studies’, ‘Testing of Motors’, ‘Energy Audit, etc. Facilities also exist for providing expert consultancies in the fields of design of electrical transmission systems, fuzzy control systems & self-tuning control systems design, genetic algorithms based optimization and power flow studies. The Department has well-equipped and spacious laboratories with all modern facilities for experimentation at U.G., P.G. and Ph.D. levels. The highly educated and dynamic faculty has the global exposure and expertise in the emerging areas of electrical engineering. The department promotes high quality research publications in Ph. D. and M. Tech. Programmes.

Faculty profile

| Dr. Deepesh Sharma | Assistant Professor | Ph.D. | Operation & Control, Restructuring in Power System, Renewable Energy Sources |

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

The Department of Electronics & Communication Engineering (ECE) occupies a prominent place within the overall structure of the University since its inception. The Department offers B.Tech. Programme in ECE with an intake of 120 with effect from academic session 2020-21, M.Tech. Programme in ECE with an intake of 18, and M.Tech. Programme in ECE (VLSI Design) with an intake of 18 respectively. In addition to this, 50 research scholars have been admitted to Ph.D. programme in ECE Department. The UG programme is NBA accredited and renewal of NBA accreditation of PG programme is under process. The course curriculum is designed with the inputs from academia (IIT, NIT, IISC, IIIT) as well as industry in such a way that optimum magnitude has been assigned to basic as well as advance course so as to keep the students abreast of basics as well as advances in the specific areas of technology. The department strives to keep various courses up- to-date so that these reflect current developments. The faculty constantly endeavours & engages itself in curriculum design. The department has well-equipped and spacious laboratories with all modern facilities for experimentation at UG and PG levels. The students are motivated to target the problems of industry for carrying out their major project at BTech level, thesis work at MTech level and research work at PhD. The faculty is young & actively engaged in research in the fields of Communication, VLSI, Image Processing, Digital Design, Embedded Design, Optical Communication and Digital Signal Processing, etc. The faculty members not only keep themselves abreast of latest developments by regularly attending a no. of Conferences / Seminars / Workshops / STTPs, etc. on different thrust areas of research but also have delivered Key-note addresses, invited talks, experts lectures & chaired Technical Sessions & presented research papers at International & National levels. The faculty members have also been on Advisory Boards / Committees of several National & International Conferences. The faculty is credited with publications in International & National Journals such as IEEE, IEE, IE(I), IETE, ELSEVIER, Springer, Taylor & Francis, etc. & in International & National Conference Proceedings. The faculty members have published books with reputed publishers. Besides teaching, the department is actively engaged in research & activities conducive to research. The department is involved in various activities under E-Yantra project with IIT Bombay. The laboratories have been modernized using financial grants from World Bank under TEQIP (I, II and III) and from the State Government and other funding agencies. The department has organized numbers of National Level Conferences /Workshops / Short Term Training Programme of one-week two week duration. The department has also been intermittently organizing expert lectures of researchers & industry of national & international repute.

DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering was established in 1987. It is one of the oldest departments of the University. This department is mandated to educate students to be engineering leaders capable to solve complex problems of importance for the society. The academic and co-curricular activities undertaken by the students in the department provides them the pathways to serve the public through outreach and professional activities. The faculty, staff and the student community in the department together create a culturally diverse and intellectually stimulating environment for the discovery and application of knowledge. The Department presently runs Research Degree Programme (Doctor of Philosophy); one Postgraduate Programme; M. TECH. (Mechanical Engineering) and one Undergraduate regular Degree Programme; B. TECH. (Mechanical Engineering). The curriculum is designed with a view to provide the student with fundamental training in Mechanical Engineering disciplines. The pedagogy facilitates the understanding and use of new ideas, technologies, and practices for the betterment of society and to acquire the capabilities needed to adapt to the rapidly changing technological and scientific requirements of the country and the region. The curriculum is oriented towards the following sub-disciplines: Design Engineering; Thermal Engineering; Manufacturing and Automation Engineering and Industrial Engineering. In

order to achieve the overall vision, the department had established extensive instructional and research facilities in the laboratories, e.g. Computer Aided Design, CNC Machines, Computational Fluid Dynamics, etc. in addition to conventional laboratories of Strength of Materials, IC Engines, Mechanism of Machines, Refrigeration & Air Conditioning, Heat and Mass Transfer, Fluid Mechanics and Machines, etc.. The Department is very well equipped with computing facilities and resources both in terms of hardware and software. The Department has a well qualified and experienced faculty having Ph. D. Degrees with strong footprint for research & extension activities. The Faculty members of the department extensively contribute towards different administrative and academic positions in and outside the University. The Department also encourages its students to engage in extracurricular and co-curricular activities essential for development and nurturing of team spirit and organizational skills. The department endeavors into organization of conferences/ seminars/ workshops/ FDPs/ STCs in emerging and thrust areas regularly for the dissemination of knowledge to the stakeholders.

3.3. FACULTY OF INFORMATION TECHNOLOGY & COMPUTER SCIENCE DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The department offers Bachelors, Masters, Doctorate Degree programme in Computer Science and Engineering & Bachelor of Computer Applications programme to cater to the everlasting demand of the market. The extensive and sufficient laboratory facilities are one of the added advantages of the Department. These facilities are regularly updated to cope with the ever progressing and rapidly advancing technologies being introduced in software development sector.

3.4 FACULTY OF HUMANITIES & SOCIAL SCIENCES

3.5 DEPARTMENT OF HUMANITIES

Committed to thorough education and research coupled with interactive teaching pedagogy the Department of Humanities provides an environment where creativity and critical acumen can thrive. With the vision–To nurture a holistic being with professional acumen and social responsibility–the Department

is committed to inculcate literary and cultural sensibility by exposing the students to different courses in literature available in English from different languages in the world. They are sensitized to an awareness of and appreciation for the interdisciplinary understanding, interpretation, creation and use of the emerging knowledge and literary environment of the 21st century. Addressing the dire need of society, the department tries to achieve excellence in education of Humanities (literature and languages), Communication and Social Sciences through continuous proficiency building. It believes in and relentlessly works to uphold high professional standards in higher education and ensures a golden future for its students.

3.6 FACULTY OF MANAGEMENT STUDIES

DEPARTMENT OF MANAGEMENT STUDIES

The Department offers MBA, Dual Degree BBA-MBA Programme and MHA (Masters in Hospital Administration) where attractive range of subjects are offered, which can be used to extend students' main areas of interest. The department started MBA (5 Years Integrated) in 2012 which is a dual degree programme. A candidate once admitted to this programme shall not be required to take re-admission at any subsequent stage of the programme depending upon the fulfillment of other conditions; however, he/she may opt to discontinue the programme after 3rd year of the programme.

The department is actively involved in many consultancy projects. During last five years, the department has worked on many consultancy projects worth Rs. 3.0 Crore (approx.) in the area of Public Health Management and Rural Management. The department had worked as "Support Organization" by the Ministry of Drinking Water and Sanitation, Government of India. Since its inception in 2008, the department has received significant grants from UGC and other funding agencies in terms of development grants, special assistance programme (SAP) under Departmental Research Scheme (DRS 1&2) Recently the departments got a grants of 65 Lacs for the period 2018-2023 under SAP-DRS-2 on the theme "Transforming Indian society:-Role of Technology, Entrepreneurship & Public Policy".

3.7 FACULTY OF NON-CONVENTIONAL SOURCES OF ENERGY AND ENVIRONMENTAL SCIENCE

CENTRE OF EXCELLENCE FOR ENERGY AND ENVIRONMENTAL STUDIES

The Center of Excellence for Energy and Environmental Studies (CEEES) at Deenbandhu Chhotu Ram University of Science and Technology was established in the year 2009 and is a part of faculty of Non- Conventional Sources of Energy and Environment Sciences. Centre is interdisciplinary in coverage and gives wide opportunity for research in the area of renewable energy keeping in view its environmental benefits. The B.Tech. in Agriculture Engineering was started from the academic session 2021-22. The faculty members are engaged in extensive research in the frontier areas of Energy and Environmental Sciences, with an aim to promote lab to field research and have completed several projects funded by external funding agencies. Our faculty is involved in various projects related to the utilization of solar energy and tries hard to make our campus green.

The centre also offer elective and audit courses for B.Tech. & M.Tech. students in the areas of Non-conventional energy sources, Energy Ecology and Environment, Direct Energy Conversion Methods and Environmental Impact assessment, Environmental Studies, Waste to Energy. In addition to this the centre organize seminar and workshop for dissemination of knowledge in the area of renewable energy and running skill development program in addition to other academic activities.

DEPARTMENT OF BIO-TECHNOLOGY

Department of Biotechnology was established at this university in the year 2004 with B.Tech programme. To give an impetus to research in the emerging areas of biotechnology Ph.D., M.Tech (Biotechnology) and M. Sc. (Biotechnology) programmes were introduced in 2009, 2010 and 2011 respectively. The department has started B.Sc. (Hons.)-M.Sc. dual degree programme in 2017. Such programmes in Biotechnology are helping in producing biotechnology professionals trained to tackle the emerging scientific challenges in the specialized fields of biological sciences and technology. The department has well qualified, experienced and committed faculty. The faculty is actively engaged in major areas of research in the field of genetic diversity, animal and plant biotechnology, molecular & microbial biotechnology, enzyme technology, plant tissue culture, biosensors and bioprocess engineering. The department has also received extramural grants in the form of three major research projects from UGC and one from DST, New Delhi.

The research laboratories are well equipped to provide hands on experience to the students beside the normal curriculum. The Undergraduate and postgraduate students are provided an opportunity to do a research project which helps them to handle independent projects in academia and industry. Research programmes are also conducted in collaboration with several National Research Institutes/ Universities. Four post-doctoral research projects have been sanctioned in the department by DST Government of India, CSIR and UGC New Delhi.

*On deputation.

DEPARTMENT OF CHEMICAL ENGINEERING

The Department of Chemical Engineering was established in the year 1990. The department is maintaining a continued tradition of good quality education, research, and academia-industry interaction since its inception. The department has well-equipped laboratories for experimentation at UG, PG and Ph.D. levels.

3.8 FACULTY OF SCIENCE & TECHNOLOGY INTERFACE DEPARTMENT OF CHEMISTRY

The Department of Chemistry has been a constituent part of Applied Science department of this University (erstwhile C.R.S.C.E., Murthal) from 1987 to 2008. In January 2009 the department has got separate existence in this university. Presently department has chemistry labs to cater the needs of undergraduate, postgraduate and research students. Some other departments of the university also take advantages of the facilities available in chemistry lab.

| Dr. A.K. Sharma | Professor | Ph. D. | Conducting Polymer based Nanocomposites, Supercapacitors |
| Dr. Hari Om | Assistant Professor | Ph.D. | Optical Spectroscopy, Co-ordination and Organo-transition metal, Physico-chemical studies of surfactant system |
| Dr. Sumit Kumar | Assistant Professor | Ph.D. | Organic & Bio-organic Chemistry, Polymer Therapeutics |
| Dr. Sonia Nain | Assistant Professor | Ph.D. | Analytical, Inorganic synthesis & Organometallic |
| Dr. Rajender Singh Malik | Assistant Professor | Ph.D. | Polymer Composite, Nano Composite & Fuel Cell (PEM) |
| Dr. Dinesh Kumar | Assistant Professor | Ph.D. | Phosphors materials |
| Dr. Krishan Kumar | Assistant Professor | Ph.D | Thermodynamics Studies |

DEPARTMENT OF MATHEMATICS

The Department of Mathematics came into existence as independent Department in January 2009. Earlier, it was under the department of applied sciences, in the erstwhile C R state Engineering College. The Department currently runs two teaching programmes, namely, M.Sc (Mathematics) (2 years) and dual degree B.Sc (Hons.)- M.Sc (Mathematics).

Since its inception, the Department has made a commendable progress in research in the fields of Theoretical Seismology, Analysis, Information Theory and Algebraic coding Theory. So far 20 students of the Department have been awarded their Ph.D. degrees and at present 17 Student are enrolled in the Ph.D. programme. A number of research projects funded by UGC has been completed successfully in the department.

| Dr. Manjit Singh | Assistant Professor | Ph.D | Algebra, Number Theory, Algebraic Coding Theory |
| Ms. Suman Panwar | Assistant Professor | M.Phil | Applied Mathematics |

DEPARTMENT OF PHYSICS

The Department of Physics attained its present status as an independent department in January 2009. The Department has started M.Sc. in Physics from the session 2009-2010 and Dual Deg. B.Sc. (Hons)- M.Sc. Physics from 2017. Department has well-equipped laboratories for doing experiments at B.Tech., Dual Deg. B.Sc. (Hons)- M.Sc. Physics & M.Sc. level. The up-gradation of the department laboratory is regularly done from time to time as per the recent advances and development in the concerned areas. Further, the department has started a master's degree with two specialization courses, in "Condensed Matter Physics" and "Electronics" from the session 2012-13. Specialization in Nuclear Physics/ Spectroscopy can be floated from the current session on the demand of students. The department also has various research labs **Material Research Lab, Hydrogen Energy Research Lab, Nano Lab & Simulation Lab**. These labs are developed as per the latest developments in the field. Department is also developing a high-end research lab (**FIST Lab**) equipped with **Fluorescence Spectrometer, ME/MR loop tracer, Sputtering Unit, Impedance analyzer, Temperature, UV-VIS-NIR Spectrometer & Humidity control cabinet. The total cost of the FIST Lab is 100 Lacs & sponsored by DST New Delhi.** The research projects sanctioned by various research agencies like UGC, DAE, DRDO, AICTE, DST & CSIR are being carried out in the department and presently, five members of the department are running projects sanctioned by DST, UGC and UGC-DAE. Some equipment such as X-Ray, Diffractometer, Electron Beam coating Unit, R.F. Induction Furnace, DTA etc. are available in the department for PG and research studies. **Renewable Energy Test Centre has been set up with a fund of Rs. 100 Lacs. from DST Haryana and now recognized as Regional Testing Centre (RTC) of MNRE, Govt. of India.**

3.9 FACULTY OF EDUCATION

At present programme in education is being run by the affiliated colleges of the University.

CHAPTER – 4

I. Fee Structure for Regular U.G. Courses (B.Tech./B.Tech. in Agriculture Engg./B.Arch.) for the Session 2022-23.

(A) University Fees:

At the time of admission (One Time)

| | |
|---------------------------------------|----------|
| 1. Admission Fee and Registration fee | ₹ 3000/- |
| 2. Alumni Fund | ₹ 1000/- |
| 3. Caution Money (Refundable) | ₹ 3000/- |
| 4. Training & Placement Fee | ₹ 3000/- |

TOTAL **₹ 10,000/-**

(B) University Fee (Half Yearly)

| | |
|----------------|----------|
| 1. Tuition Fee | ₹ 8000/- |
| 2. Exam Fee | ₹ 1750/- |

TOTAL **₹ 9,750/-**

(C) To be paid (Yearly)

| | |
|------------------------------|----------|
| 1. Lab Equipment | ₹ 5000/- |
| 2. Equipment Maintenance Fee | ₹ 3000/- |
| 3. Renovation Fund | ₹ 1000/- |
| 4. Library Fee | ₹ 2000/- |
| 5. Accreditation fee | ₹ 1000/- |
| 6. Continuation Fee | ₹ 1000/- |
| 7. Development Fund | ₹ 8000/- |

TOTAL **₹ 21,000/-**

Total University Charges (A, B & C) = **₹ 40,750/-**

(D) Student Fund Charges (Yearly)

| | |
|---|----------|
| 1. Red Cross Fee | ₹ 100/- |
| 2. Medical Fee | ₹ 300/- |
| 3. Magazine/News letter Fee | ₹ 250/- |
| 4. Benevolent Fund Scheme (Students Aid Fund, Group Insurance Scheme, Earn While Learn Scheme, Medical Insurance etc.) | ₹ 350/- |
| 5. Sports Fund | ₹ 750/- |
| 6. Youth Welfare Fund | ₹ 750/- |
| 7. Identity cum Library Card | ₹ 100/- |
| 8. N.S.S. & NCC Fee | ₹ 400/- |
| 9. Student Amalgamated Fund | ₹ 2000/- |

TOTAL **₹ 5,000/-**

Grand Total of (A, B, C, D)= **₹ 45,750/-**

Note: The fee to be paid by the students admitted through LEET will be the same as applicable to their counterpart students admitted in the four year B. Tech. Programme.

II. Fee Structure for Regular P.G. Course MBA/MHA /M. Arch./MURP/M. Tech. for the Session -2022-23.

(A) University Fees:

At the time of admission (One Time)

Writing on the walls or black / green / white boards anything uncalled for and defacing these places is punishable.
11. The students shall abide by the provisions made in the ordinance of relevant academic programme. For detailed information, the student can read the relevant ordinance.

12. The students are warned against possession and / or use of obscene site(s) on computer, books, magazines, periodicals, newspapers, VCDs, audio visual tapes, etc.
13. Students are also advised to refer to detailed rules of Library, Hostels, etc. for proper use of facilities.
14. The students are advised not to indulge in any kind of indiscipline or misconduct during their stay in the university campus.
15. The student shall strictly adhere to the dress code, if any, prescribed by the University. They will put on the blue dress while working in the workshop and a white apron in other laboratories. The students are not allowed to wear slippers/bathroom slippers in the classes/laboratories.
16. The students shall put on their identity cards in person while they are in the University.

CHAPTER – 6

ANTI-RAGGING GUIDELINES AND MEASURES

As per judgment of Hon'ble Supreme Court, "Ragging shall be constructed as an act of sadistic pleasure or showing off power, authority, or superiority by senior students over their juniors or freshers".

Ragging in any form – teasing physically, psychologically or by spoken or words is absolutely prohibited in the University campus and hostels. If any incidents of ragging come to the notice of the authority, the concerned students shall be given an opportunity to explain to the Proctorial team and if their explanation is not found satisfactory, the authority would rusticate the defaulters from the University. However, in compliance of the recent instructions of the Hon'ble Supreme Court, once a student is found prima facie involved in ragging he/she would be immediately suspended from the University and the Hostel. The matter will mandatorily be reported to the police and criminal law set into motion.

IMPORTANT INSTRUCTIONS AND DON'TS WITH REGARD TO RAGGING

What amounts to ragging? Any action by senior(s) individually or in a group, that may cause a fresher/ junior any sort of physical, mental or psychological discomfort, amounts to ragging. A student must desist from following actions:

Forced Activity

1. Physical abuse - forcing a junior/ fresher to drink, eat or smoke, dress in a particular manner or undress.
2. Verbal abuse – asking to swear words & phrases, to make direct or indirect derogatory references to someone's appearance, attire, religion, cast, family, etc.
3. Pressurizing junior/ fresher for singing, dancing, reading or browsing pornographic/ objectionable material or asking to interact with strangers, particularly of opposite sex, or performing in any other way such as forcing one to use foul language or shouting or cheering in any event.
4. Asking juniors for copying notes or assignments, cleaning rooms or clothes, etc.
5. Visiting fresher's room or inviting fresher to visit one's room for interaction without the knowledge of hostel authorities (Supervisors / Warden / Chief Warden).
6. Involving fresher in singing, dancing, and mimickering or performing in any manner under the guise of talent search or interaction.

Activity related to Lifestyle

1. Compelling fresher to interact in a particular fashion, e.g., asking to address a senior sir or Ma'am.
2. Imposing or not permitting certain kinds of dress on fresher or specific accessories such as jeans, belts, caps, turbans, etc. for freshers / juniors.
3. Enforcing rules regarding hairstyle, shaving or oiling hair, or applying pastes, mud, etc.
4. Restricting fresher the access to certain parts of the hostel, e.g., common room, etc.

PLAYING OF MIND GAMES

A particular form of interaction in which a senior or a group of seniors manipulate the conversation so as to humiliate the fresher or make him/ her feel stupid or insecure or threatened is strictly prohibited. Friendly interaction by senior with fresher which facilitates academic ambience inside hostel and in academic premises is highly appreciated, however, to ward off derailment from

the intended purpose, it is advisable that such interaction be undertaken in the presence of Warden or his authorized person / team.

MEASURES ADOPTED TO CURB RAGGING

University has an elaborate mechanism to tackle the problem of ragging and remain successful in making the campus ragging-free. The mechanism and measures adopted are:

1. Escort teams to accompany the fresher students:

All freshers are escorted from the hostel to teaching blocks and back to the hostel under the supervision of escort teams consisting mostly of technical staff three times every working day, i.e., at the start of the first class, then for the lunch, and at the end of the last class. Similarly, escort team consisting of lady staff under the supervision of the hostel matron escorts newly admitted girl students from girls' hostel to teaching blocks and back. The mechanism remains operational continually till proneness to ragging persists.

2. Proctorial Team: A proctorial team consisting of faculty from different departments remains vigilant in various teaching blocks with two objectives – (i) to prevent any kind of ragging and (ii) interact with the senior students to help curb ragging and report any incidents to the Proctor.

3. Surprise inspection teams – Several teams comprising of senior faculty members are in place to make surprise checks in hostels on each day of the week.

4. Raiding teams in Hostels: Towards curbing ragging in hostels, anti-ragging groups, each consisting of two faculty members, remain always present in hostel premises on roaster basis during 5pm till 12pm night. This mechanism remains operational continually for two months. Its continuation is again reviewed and decision taken accordingly. In addition to this, hostel personnel maintain round-the-clock vigilance, and particularly after 12.00 in the night, in the supervision of the Hostel Warden and / or his authorized personnel / team.

Orientation and Counseling

An orientation Programme is arranged for newly admitted students along with their parents to apprise them about the University, its academic strengths, various facilities (including extra-curriculars), Teaching departments and the anti ragging mechanism in place.

All the newly admitted students are divided into groups and each group is attached with a faculty counselor who acts as local guardian and career guide throughout their stay in the University. In this regard, students are advised to contact the Chief Counselor of the Univ. or the Counselor of the relevant dept. or disciplinarian-cum-Counsellors.

The Chief Warden along with proctor and Wardens arrange meeting with senior students in respective hostels and apprise them of the Supreme Court's views and decision in regard to ragging and of the seriousness we attach to this menace.

A team especially formed under the supervision of Dean Students Welfare carries out anti-ragging campaign inside the University campus through banners, posters in the campus and by organizing awareness programmes in academic premises.

Further, an Advisory Committee on Ragging is in place. It consists of senior faculty members of the University, representative of stakeholders and district administration (Civil & Police).
